## Transition Checklist – Bachelor of Information Technology / Bachelor of Design

### Completion of pre-2026 Bachelor of Information Technology / Bachelor of Design (2517) program

This checklist is for students who commenced the Bachelor of Information Technology / Bachelor of Design prior to 2026 and will identify courses that are approved substitutions for discontinued courses.

#### IMPORTANT Notes:

- The information contained in this document is intended as general advice only. Students must follow the program rules & requirements listed on the [Programs and Courses Website](#) relevant to the year they commence. This planner must be used in conjunction with your program duration course list and program rules.
- Students need to check future course offerings, prerequisites, incompatibles and restrictions for all courses as these are subject to change.
- Students cannot take courses that are incompatible with courses already counted towards their program and cannot count the same course twice.
- 2025 Bachelor of Information Technology/Bachelor of Design Program Requirements:  
Complete 64 units comprising:
  - 32 units for Bachelor of Information Technology component, and
  - 32 units for Bachelor of Design component

The Bachelor of Information Technology component remains unchanged.

The Bachelor of Design component is comprised of

- 16 units for all [BDes Core Courses](#), and
- 16 units for one Major from [BDes Majors](#)

*Tick the courses you have completed and nominate the alternative course you plan to choose (if required).*

BDes Core Courses
