Transition Checklist – Bachelor of Information Technology / Bachelor of Design

Continuing students following the new 2026 Bachelor of Information Technology / Bachelor of Design program

This checklist is for students who commenced the Bachelor of Information Technology / Bachelor of Design prior to 2026 and who formally change into the new program structure.

IMPORTANT Notes:
- The information contained in this document is intended as general advice only. Students must follow the program rules & requirements listed on the Programs and Courses Website relevant to the year they commence. This planner must be used in conjunction with your program duration course list and program rules.
- Students need to check future course offerings, prerequisites, incompatibles and restrictions for all courses as these are subject to change.
- Students cannot take courses that are incompatible with courses already counted towards their program and cannot count the same course twice.

2026 Bachelor of Information Technology / Bachelor of Design Program Requirements:
