

CHECKLIST Master of Architecture – Completion of pre-2023 program (5429)

Full name: _____ Student Number: _____ Date: _____

Points to note

- This checklist is for students who commenced the Master of Architecture prior to 2023 and will identify courses that are approved substitutions for discontinued courses
- You need to ensure that you meet minimum program requirements (listed below)
- You cannot count the same course twice
- You need to ensure that you don't take courses that are incompatible with courses that you have already counted towards your program, and that any prerequisites have been met

You are required to complete the following:

1. 32 units comprising -
 - 8 units for all MArch Core Courses
 - 4 to 16 units from MArch Design Courses
 - 8 units from MArch Research Courses
 - 0 to 12 units from MArch Design Elective Courses

Tick the courses you have completed and nominate the alternative course you plan to choose (if required).

| ✓/X compl. | Pre-2023 MArch Core Courses <i>Complete all 8 units:</i> | # | Last offered | If NOT completed you can choose | Sem Offering | # | First offered | ✓/X compl. |
|------------|--|---|--------------|--|--------------|---|---------------|------------|
| | ARCH7014 Contemporary Architecture Theory & Practice | 2 | n/a | ARCH7014 Contemporary Architecture | 1 | 2 | | |
| | BLDG7021 Building Futures: Advanced Structures and Software | 2 | n/a | BLDG7021 Architectural Practice: Construction | 2 | 2 | | |
| | ARCH7031 Architectural Practice: Business Management (discontinued) | 2 | 1/23 | Students must complete either: - BOTH ARCH7031 & ARCH7041; or - BOTH ARCH7034 & ARCH7044 | 1 | 2 | | |
| | ARCH7041 Architectural Practice: Project Management (discontinued) | 2 | 2/23 | | 2 | 2 | | |
| | | | | ARCH7031 and ARCH7041 will be offered for the last time in 2023. If students have completed either ARCH7031 or ARCH7041, they should aim to enrol in and complete the remaining course in 2023 (Semester 1 2023 for ARCH7031 and Semester 2 2023 for ARCH7041). Students who have not yet enrolled in either ARCH7031 or ARCH7041, should complete the new courses (ARCH7034 & ARCH7044) from 2024 instead. | | | | |

✓ - course already completed

X – course to be undertaken

| ✓/X compl. | Pre-2023 MArch Design Courses <i>Complete 4 to 16 units from:</i> | # | Last offered | If NOT completed you can choose | Sem Offering | # | First offered | ✓/X compl. |
|------------|---|---|--------------|---|--------------|---|---------------|------------|
| | ARCH7001 Advanced Architectural Design: Architecture and Commerce (discontinued) | 4 | 1/22 | ARCH7043 Architectural Practice: Design *See below | 1 | 4 | 1/23 | |
| | ARCH7003 Advanced Architectural Design: Adaptive Capacities | 4 | | | | | | |
| | ARCH7004 Advanced Architectural Design: Dwelling and Density | 4 | | | | | | |
| | ARCH7015 Advanced Architectural Design: Generative Structures | 4 | | | | | | |

***IMPORTANT**

Students must :

1. Have completed **ARCH7001, ARCH7003, ARCH7004 or ARCH7015** **BEFORE 2023**

AND/OR

2. Complete **ARCH7043 Architectural Practice: Design**.
ARCH7043 has a prerequisite of completion of 4 units of core courses, and will be offered in Semester 1 of each year only.

If a student has not completed ARCH7001 or ARCH7003 or ARCH7004 or ARCH7015 before 2023, they are required to complete ARCH7043. The National Standard of Competency for Architects (NSCA) produced by The Architects Accreditation Council of Australia (AACA) identifies performance criteria required for the professional accreditation of architecture programs throughout Australia. This section of the course list relates to the meeting some of these competencies. From 2023 these competencies are met solely through ARCH7043. While ARCH7003, ARCH7004 and ARCH7015 will continue to be offered from 2023, these courses will not contribute towards this section of the course list.

If a student has completed ARCH7001 or ARCH7003 or ARCH7004 or ARCH7015 before 2023, there is no requirement to complete ARCH7043. The student may however opt to enrol in ARCH7043 and this would count towards the 4 to 16 units required for this section of the program.
