

Master of Architecture

Continuing students following new 2023 program structure

Recommended Study Plan

This study plan is a guide only for continuing students following the 2023 program structure in the Master of Architecture in 2023. **Students who commenced their program prior to 2023 are required to refer to the [transition webpage and checklist to ensure study plan adheres to degree requirements](#).** Please note that all course selections must adhere to the program course list outlined at [UQ Courses and Programs](#). If you have any questions or concerns regarding your course selections, please speak with an [Academic Advisor](#) in the School of Architecture.
