

Transition Checklist – Bachelor of Architectural Design

Student Name: _____

Student Number: _____

Date Completed: _____

Completion of pre-2026 Bachelor of Architectural Design (2293) program

This checklist is for students who commenced the Bachelor of Architectural Design prior to 2026 and will identify courses that are approved substitutions for discontinued courses.

IMPORTANT Notes:

- The information contained in this document is intended as general advice only. Students must follow the program rules & requirements listed on the [Programs and Courses Website](#) relevant to the year they commence. This planner must be used in conjunction with your program duration course list and program rules.
- Students need to check future course offerings, prerequisites, incompatibles and restrictions for all courses as these are subject to change.
- Students cannot take courses that are incompatible with courses already counted towards their program and cannot count the same course twice.

2025 Bachelor of Architectural Design Program Requirements:

Complete 48 units comprising:

- 44 units for all [BArchDes Core Courses](#), and
- 2 to 4 units from [BArchDes Elective Courses](#), and
- 0 to 2 units from [General Elective Courses](#)

Tick the courses you have completed and nominate the alternative course you plan to choose (if required).
